15/4/4/2 (F)/mm

**MM 116213**

**RECOMMENDATION BY THE EXECUTIVE MAYOR**

- 1 **THAT** Council take note and approve guidelines on payment of building plan fees and services connection fees on partnership projects subject to the following conditions:
  - 1.1 **That** Council approves that where building plans are submitted for approval for the construction of low costs houses on land donated by Council, building plan fees not be payable.
  - 1.2 **That** where institution has donated land to Council, and houses to be built are for the benefit of the employees of the mine, building plan fees and connection fees be payable.
  - 1.3 **That** provision be made in the donation agreement for the payment or non-payment of building plans fees.
  - 1.4 **That** when the partnership development project entails making erven available to the institutions for the purpose of building low cost houses to be donated to the municipality, the building plan fees, sewer and water connections be payable by the institutions.
  - 1.5 **That** when the institutions have purchased stands for the purpose of building low cost houses for the benefit of their employees or residents to be relocated, the building plan fees, sewer, water and electricity connections be payable by the institutions.
  - 1.6 **That** the private sector be responsible for the bulk services contribution fees and installation of internal services at the municipal standards when they develop raw land.

- 1.7 That the Provincial Department of Human Settlements be responsible for the payment of transfer fees for the low cost houses.
- 1.8 That memorandum of agreement be entered into for all partnership projects between the municipality and the relevant parties including the Department of Human Settlements as and when such projects are approved.
- 1.9 That South 32 Mine be exempted from paying sewer and water connections fees excluding electricity connection fees for the 100 houses they have planned to build for the municipality.
- 1.10 That the necessary budget amendment be made to cover the sewer and water connections for the South 32 Mine housing project.
