4 PERFORMANCE OBJECTIVES

- 4.1 The Performance Plan (Annexure A) sets out-
- 4.1.1 the performance objectives and targets that must be met by the Employee; and
 - 4.1.2 the time frames within which those performance objectives and targets must be met
- 4.2 The performance objectives and targets reflected In Annexure A are set by the Employer in consultation with the Employee and based on the Integrated Development Plan and the Budget of the Employer, and shall include key objectives; key performance indicators; target dates and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative Importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Employer's Integrated Development Plan.

5 PERFORMANCE MANAGEMENT SYSTEM

- 5.1 The Employee agrees to participate in the performance management system that the Employer adopts or Introduces for the Employer, management and municipal staff of the Employer.
- 5.2 The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Employer, management and municipal staff to perform to the standards required.
- 5.3 The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.

7.5 The annual performance appraisal will involve:

7.5.1 Assessment of the achievement of results as outlined in the performance plan:

- (a) Each KPA should be assessed according to the extent to which the specified standards or performance Indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- (b) An Indicative rating on the five-point scale should be provided for each KPA.
- (c) The applicable assessment rating calculator (refer to paragraph 7.5.3 below) must then be used to add the scores and calculate a final KPA score.

7.5.2. Assessment of the CMCs

- (a) Each CMC should be assessed according to the extent to which the specified standards have been met.
- (b) An Indicative rating on the five-point scale should be provided for each CMC.
- (c) The applicable assessment rating calculator (refer to paragraph 7.5.1) must then be used to add the scores and calculate a final CMC score.

7.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

7.6 The assessment of the performance of the Employee will be based on the following rating scale for KPA's and CMCs:

Handwritten initials and a signature in the bottom right corner of the page. The initials appear to be 'E.L.' and 'V.D.' with a large, bold signature below them.

Level	Terminology	Description	Rating				
			1	2	3	4	5
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.					
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.					
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.					
2	Not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employees has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.					
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.					

7.7 For purposes of evaluating the performance of the Employee, an evaluation panel constituted by the following persons will be established -

- 7.7.1 Municipal Manager
- 7.7.2 Chairperson of the Audit Committee;
- 7.7.3 Ward committee member (on a rotational basis), where applicable;
- 7.7.4 Member of the Mayoral Committee; and
- 7.7.5 Mayor and/ or Municipal Manager from another Municipality.
