MANAGEMENT AND OPERATION OF THE FLEA MARKET CONTAINER BUSINESS IN MIDDELBURG, MPUMALANGA

Steve Tshwete Local Municipality is outsourcing the operations and management of flea market container business. The municipality is inviting potential management companies to submit business proposals for the management and operations of the flea market container businesses.

Below are the brief requirements for the outsourcing of the flea market container business.

1. Business concept site plan on how the flea market container designs will look like for approval by the municipality.
2. The management and operation of the flea market is at the cost of the management company.
3. List the services to be conducted or included for compliance with environment and regulatory issues.
4. The number of job opportunities to be created by the tenant businesses.

The municipality will enter into a service level agreement with the successful management company or companies to detail the technical specification and conditions of the flea market container business.

In the event of the appointed company or companies failing to comply with any of the conditions, the municipality reserves the right to withdraw the agreement and appoint another management company.

Proposals should be submitted in sealed envelopes to municipal civic offices at corner Wanderers and Walter Sisulu Street, Middelburg, first floor Room 207

The closing date for this opportunity is on 03 March 2017, 12h00.

For a further enquiries and submission of proposals, contact the municipality during office hours for technical queries: Ms Sybil Madlopha, 013 – 249 7007 and sybilm@stlm.gov.za
